Updates and Discussion:

Comprehensive Plan – With input from LV and SB, members discussed the promotion of the January 14 Public Workshop. SB made several suggestions, including using the Council of Aging van to transport seniors (LV volunteered to contact the COA) and checking with Greenagers for volunteers to provide on-site childcare. MM offered guidance as to how to promote the event through multiple digital channels and offered to post information to several Facebook pages and the Egremont Forum group. LV will script another robocall from the Town to the community. JK will email a reminder of the Workshop to Egremont Neighbors and circulate a sign-up sheet among Advisory Committee members for their help at the Trash Compactor. JK will coordinate promotion efforts with David Seligman, Chairman of the Conservation Commission. MB volunteered to obtain snacks for the event.
