Egremont Town Hall and Zoom

Members Present: Dr. Bill Rose (via Zoom), Ellen Maggio, Charles Ogden (via Zoom), Juliette Haas (recording)

- 1) Interim Chairperson/Director Juliette Haas (JH) called the meeting to order at 10:37 am. JH introduced all present either in-person or on Zoom and stated the meeting was being recorded to Zoom. A motion was made and seconded to adopt the minutes from the September 14, 2023 meeting with a minor correction. **Vote Taken: 2-0-1 in favor (Rose, Maggio YES, Ogden voted to abstain.)**

- 2) **Town Property Well** The results from the water test of the new town property well have been received. While the test does not show a “non-detect” of PFAS/PFOA compounds, the levels are low and are within current acceptable limits. Surrogate additives to both the primary test and the field blank were above acceptable limits which could have skewed the results higher. The BOH discussed testing the well at a later date to see if the results are seasonal. Eventually the BOH decided to take no action regarding future testing unless the property is developed for housing.

- 3) **Recent Field Work**

25 Town House Hill/Title 5/Alliance/pass
121 Jug End Road/Title 5/Conditional pass/needs new sewer line under driveway

- 4) **Flu/Covid Clinic** Registration is underway for the flu/Covid clinic organized by the Alliance Public Health Nurses. The event will take place at Egremont Town Hall, Tuesday October 3rd from 3 pm – 6 pm.

- 5) The meeting adjourned at 10:58 am. The October meeting schedule will be October 12th and 26th.
